PROFESSIONAL SUMMARY

Strategic Partner Manager with a proven track record of building high-value partnerships, driving revenue growth, and delivering consultative advertising solutions across APAC and EMEA markets. Pioneered AI-driven initiatives that scaled from regional pilot to global expansion, achieving strong client adoption and double-digit revenue impact. Consistently exceeds targets through data-driven campaign optimization, full-funnel advertising strategy, and deep stakeholder management across global accounts. Now pursuing an MS in Marketing Analytics to deepen the data side of that work.

EXPERIENCE

Global Partner Manager, Growth Sales, Vietnam and RSEA

Amazon Ads · Ho Chi Minh City, Vietnam · September 2024 – August 2026

- Built and managed strategic partnerships with global brands and mid-market businesses, driving adoption of advertising solutions and increasing advertising spend across book of accounts by over 57% YoY (FY25 vs. FY24).
- Generated over \$17M in ad revenue within one fiscal year by developing expansion strategies through campaign performance analysis, market trend evaluation, and performance dashboard insights.
- Provided consultative guidance on full-funnel advertising strategies (Amazon DSP, Display, Video) on and off Amazon-owned properties, advising on targeting, bidding optimization, budget distribution, and audience segmentation to improve campaign ROAS by 25% on average.
- Collaborated with Partner and Product teams to address advertiser challenges and drive innovative programs, resulting in a 28% increase in adoption of advanced ad formats across key verticals.
- Spearheaded the AudienceIQ AI Persona Builder initiative leveraging Amazon Quick Suite to transform Seller Central data into actionable customer personas, driving \$8M in incremental revenue, achieving 94% client adoption, saving 45% of internal proposal preparation time, and scaling from a Vietnam pilot to APAC and EMEA expansion.

Enterprise Business Development, EMEA and APAC

Katalon Inc. · Ho Chi Minh City, Vietnam · November 2021 – June 2024

- Generated \$841K and \$443K in new pipeline in FY22 and FY23 respectively by collaborating with Account Management to identify opportunities and manage targeted accounts.
- Exceeded quarterly pipeline targets quarter over quarter at over 110%, achieving 173% attainment in FY22.
- Landed multi-\$1B+ enterprise logos across BFSI, Gambling, Telecom, Energy, and Retail verticals.
- Initiated and facilitated sales enablement programs including referral programs, reactivation campaigns, and LinkedIn outreach workflows across the Revenue department.
- Collaborated with cross-functional teams to launch content marketing, outreach campaigns, and account-based marketing (ABM) initiatives for user acquisition, lead generation, and conversion rate improvement.

Sales and Customer Success Executive

TRG International · Ho Chi Minh City, Vietnam · April 2021 – March 2022

- Managed strategic commercial accounts in Vietnam, providing post-sales support across the full customer lifecycle including technical troubleshooting and upselling and cross-selling Cloud and ERP solutions.
- Monitored Salesforce, HubSpot, and InforCRM portals to interpret sales data, prepare forecasts and monthly pipeline reports, and identify gaps to propose process improvements.
